

**IN THE UNITED STATES DISTRICT COURT  
FOR THE NORTHERN DISTRICT OF GEORGIA**

WENDY SHARP,

*Plaintiff,*

v.

ST. JUDE MEDICAL, S.C., INC., et al.,

*Defendants.*

No.: 1:17-cv-03181-SCJ

**DEFENDANTS' MEMORANDUM IN SUPPORT OF  
MOTION FOR LEAVE TO EXCEED PAGE LIMIT**

Defendants St. Jude Medical, S.C., Inc., St. Jude Medical, Inc., Pacesetter, Inc., d/b/a St. Jude Medical Cardiac Rhythm Management Division, St. Jude Medical, LLC, and Abbott Laboratories (collectively, "St. Jude") respectfully submit this memorandum in support of their motion for leave to file their reply brief in support of their motion to dismiss in excess of the 15-page limit imposed by Local Rule 7.1(D).

1. Plaintiff filed an 85-page, 266-paragraph Amended Complaint in this matter, which presents questions of federal preemption, state law, and the history and nature of two distinct medical devices.

2. Although St. Jude could have sought an extension of the page limits in filing its opening brief in support of its motion to dismiss, St. Jude endeavored to

keep within the 25-page limit set by Local Rule 7.1(D).

3. Nevertheless, without opposition from St. Jude, Plaintiff sought leave to exceed the page limits in filing her response, and ultimately filed a 32-page opposition to St. Jude's motion.

4. Given the many legal issues presented and the length of Plaintiff's opposition brief, St. Jude respectfully submits that an extension of the page limits is necessary for its reply to provide the Court with an adequate discussion of the issues presented by this case.

5. St. Jude does not anticipate that the brief will be more than 27 pages.

6. Plaintiffs will not be prejudiced by St. Jude's motion for leave to exceed the page limits.

Dated: November 10, 2017

Respectfully submitted,

/s/ Stephen M. Brooks
